Food & Fun - All in One!

It's called the "Graze to Raise" for a reason! Participants sample specialty foods from local restaurants and businesses along the 5K course. When the walk ends, the fun continues! Dance, drinks, dessert await you at the Dena'ina Center! Delicious desserts, live music, a beer & wine garden, children's activities and carnival games are all inside the Dena'ina Center at the "WOW" event.

Prizes Galore

Win great trips, hotel stays, meals and other prizes at the door and during the live drawing in the Dena'ina Center after the walk. Prizes are donated by tourism businesses, just one of the ways that tourism gives back to Alaska.

Call the AJT Office for more information - 272-7546! And email Lainie@akjt.org to share your excitement of being on Team Alaska Junior Theater after you have registered.
